BILLA ŽAMPA CUP
Specific Event Rules – Slovakia (Štrbské Pleso)

This document forms an integral annex to the "General Rules of the BILLA Žampa Cup Race Series". It contains specific sports, technical, and organizational provisions that are binding and valid exclusively for this event. All provisions not explicitly covered in this document are governed by the "General Rules of the BILLA Žampa Cup Race Series".

1. **Location and Course Parameters**
   - 1.1. Location and Resort: The Žampa Cup event in Slovakia will take place at the Štrbské Pleso resort.
   - 1.2. Race Slope: The race will take place on the Interski slope.
   - 1.3. Event Date: 19. - 21.3.2027
   - 1.4. Discipline Characteristics: The race will be held in Parallel Slalom, preceded by a single-run qualification for all categories. Individual courses and their profiles may be fully adapted to the specific needs and safety of individual age categories.
2. **Registration**
   - 2.1. Online Registration Deadline: Online registration for racers closes on 16.3.2027 at 18:00 (local resort time). After this deadline, registration will no longer be possible and the registration system on www.zampacup.com will automatically close. Registration by any other form is not possible.
3. **Ski Passes**
   - 3.1. Eligibility for Discounted Ski Pass: Each properly registered racer is entitled to receive a voucher to purchase a discounted one-day ski pass for each day of the competition.
   - 3.2. Validity and Application of Voucher: The entitlement to a discounted ski pass based on the received voucher is valid for each day of the competition.
4. **Sports and Technical Rules**
   - 4.1. Competition format and advancement: The main competition is preceded by a qualification. Based on the qualification results, a specified number of racers (children) advance to the main race.
   - 4.2. Number of Qualification Runs and Format: Qualification consists of a single run. Each racer completes one timed run, and the overall ranking in qualification is determined by the time achieved in this single run.
   - 4.3. Criteria for advancing to the finals: Depending on the decision of the organizer, the top 8 or 16 racers from each category qualify for the Sunday main race.
   - 4.4. Determination of Starting Order in Qualification: The starting order in each category is drawn randomly using a computer system. This random draw takes place after the official closure of registration.

4.5. Correct Gate Passing: A racer must complete the entire designated course and correctly pass through all set gates. Correct gate passing requires that both ski tips and both feet of the racer pass through the gate in the designated direction.

4.6. If a tie in times occurs at the 16th position (when 16 racers advance) or at the 8th position (when 8 racers advance) in qualification, the racer with the higher starting race bib advances.

4.7. Main race – seeding and starting order of racers in individual categories are determined based on the final ranking in qualification in the following lineup:

in the case of 16 advancing racers:
Duel 1: 1-16
Duel 2: 8-9
Duel 3: 5-12
Duel 4: 4-13
Duel 5: 3-14
Duel 6: 6-11
Duel 7: 7-10
Duel 8: 2-15

in the case of 8 advancing racers:
Duel 1: 1-8
Duel 2: 4-5
Duel 3: 3-6
Duel 4: 2-7

4.8. Course assignment and color designation are determined by the system, with the blue course being located on the right when viewed from above. The competition is held in an elimination format over a single run, and the winner of each duel advances to the next round.

4.9. If both racers fall during the run (duel), the racer who progressed closer to the finish line advances to the next round.

4.10. If a fall by one of the racers during a duel makes it impossible for their opponent to continue smoothly on their own course, the racer who was thus obstructed or knocked down automatically advances to the next round.

4.11. If both racers fall during the run at the exact same time and at the same point/gate level on the course, the run is repeated.

4.12. Criteria for advancing in case of a tied time in the main competition:

A) Advancement is gained by the racer with the better qualification time.

B) If racers had identical times in qualification as well, the winner is the racer with the higher qualification race bib.

4.13. Determining the winner in case of a tied time in the small or big final:

A) Victory goes to the racer who achieved a better time in qualification.

B) If the racers had identical times in qualification as well, the winner is the racer with the higher qualification race bib.

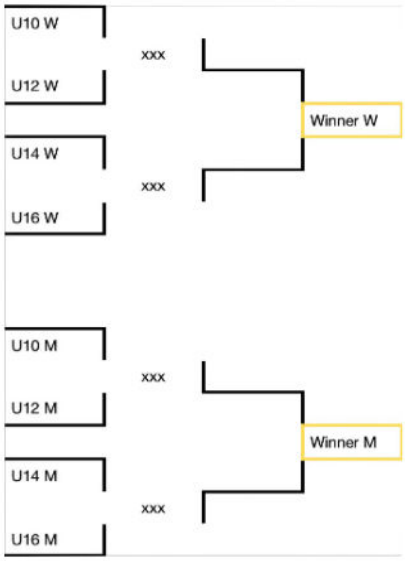

4.14. Reruns: In case of serious technical problems (such as timing system failure), unforeseen obstacles on the course, or another extraordinary event beyond the racer's control, the organizer is authorized to award a rerun to the racer.

4.15. Race Bibs Pickup: Racers, or their coaches or legal guardians (parents), will pick up their race bibs in the evening directly at the race office.

4.16. Requirement to Return Race Bibs: Racers are required to return their race bibs to a designated area after completing their run. All properly returned race bibs will then be entered into a raffle drawing at the end of the event. If a race bib is lost or not returned, the organizer may charge a €20 fee.

5. Sports and Technical Rules - Super Final

5.1. The winner of each category qualifies for the Super Final according to the attached scheme:

5.2. If two racers achieve an identical time in the Super Final, the younger racer advances to the next round.

6. Prize Giving

6.1. Awards in Main Competition: In the main competition, the top three racers in each age category are awarded. The U10 category is divided into two separate evaluations: U8 (youngest birth year) and U10 (two older birth years).

6.2. Separate Evaluation for Hobby Subcategory: In addition to the main competition, the top three racers who meet the conditions for inclusion in the Hobby subcategory will be awarded separately in each of the above categories.

6.3. Additional Competition Disciplines:

SANACLIS SKILLS RUN – fastest W and fastest M
Žampa Cup – Super final (Štrbské Pleso)

6.3.1.1. A) Absolute winner among W
6.3.1.2. B) Absolute winner among M
